

Salt Kettle

4 Bed Property For Sale in St. Ouen

Description

Salt Kettle is a light, flexible west coast home just 50 yards from St Ouen's beach, with sea views from both floors and a layout that actually makes sense for modern living. It can work as one generous 4-bedroom home with a study, or as a 3-bedroom house with a separate 1-bedroom unit, giving you options for family, guests, older children, or income potential. The large south/west facing terrace is a real standout, made for sunsets and slow evenings outside, while the low-maintenance garden, changing room and outdoor shower give it that proper coastal lifestyle feel without making it hard work. A rare home in a brilliant spot, but without needing to shout about it.
