

Cheapside, St Helier

4 Bed Property For Sale in St. Helier

Description

Freehold - EAP Estates are pleased to offer this deceptively large commercial/residential mixed use property split over three floors and located on the outskirts of town. With a long term income security of over £71,000 per annum and potential redevelopment in the future (subject to planning approval) this is an exciting opportunity not to be missed. Currently the property with approximately 3,800 square feet of floor space, is laid out over three floors. On the ground floor there is a busy cafe`/ restaurant with full liquor license, kitchen, store rooms and public conveniences. The second floor offers a mix of commercial and residential units, and on the third floor there is a large 1 bedroom apartment. For further details and to arrange...
