

A Home Full of Light, Warmth & Valley Views!
3 Bed Property For Sale in St. Helier

Description

Completely brand new inside, this beautifully renovated upside-down home has been finished to a high specification within the last 12 months and is ready to move straight into. The solid oak kitchen features Neff integrated appliances, a Quooker tap and elegant finishes, while all new plumbing, electrics and a water tank ensure peace of mind. High-quality Amtico flooring runs seamlessly throughout, complementing the bright upstairs living spaces designed to capture the light and enjoy the lovely valley views. The separate living room, dining area and kitchen all sit upstairs, alongside two double bedrooms and a modern family bathroom, while the ground floor offers a spacious double bedroom with en-suite ideal for guests or flexible family living....
