

Purpose-Built Apartment with Parking & Walk-to-Town Convenience

1 Bed Property For Sale in St. Helier

Description

A well-presented purpose-built apartment offering one double bedroom, one bathroom, and a dedicated parking space. The property benefits from a separate kitchen and a useful store room, providing practical living space throughout. Residents can enjoy access to attractive communal gardens, while the convenient location offers an easy walk into town, making it ideal for first-time buyers, downsizers, or investors.
