

Le Hurel Cottage

4 Bed Property For Sale in St. Lawrence

Description

Presenting a charming countryside retreat, this exquisite four-bedroom cottage graces an elevated position at the culmination of a green lane. Bordered by sprawling fields, the cottage boasts a generously sized, sun-drenched garden that wraps around the southern and western perimeters. Spanning two floors, the cottage features ample space with four bedrooms and two bathrooms, offering a comfortable and well-lit living environment. The expansive garden stretches gracefully to the property's West and South, while the garage and a five-vehicle parking area are situated to the East. Enhancing the allure of this abode is a large eat-in kitchen, perfectly suited for entertaining adjacent, a separate utility room adds functionality to daily living....
