

The Gables

3 Bed Property To Let in St. Helier

Description

Originally built in 1792 and renovated in 2018, this detached former farmhouse offers spacious family accommodation full of character, with exposed beams and traditional Jersey granite features. The ground floor comprises an entrance hall, cloakroom, sitting room with fireplace, dining room, office, spacious open-plan kitchen with pantry, and a separate laundry room. Spacious and welcoming sitting room with a large feature granite fireplace and wood-burning stove. The kitchen is a wonderful blend of character and contemporary style, featuring exposed oak beams, vaulted ceilings and skylights that fill the space with natural light. A large central island provides plenty of preparation space and storage, while the breakfast bar offers the...
