

St Helier

6 Bed Property For Sale in St. Helier

Description

Introducing this completely modernised, versatile period property, perfect for multi-generational living, generating long term rental income or an attractive investment with staff quarters. Plans have been approved to create a two two bedroom apartments and a two bedroom duplex apartment. With flexible accommodation options, it can function as a one-bedroom, self-contained ground floor apartment alongside a spacious five-bedroom main residence or as a six-bedroom family home in its entirety. This substantial home features six double bedrooms, five bathrooms, a downstairs cloakroom, three well-proportioned reception rooms, two fully integrated kitchens, a utility room, and a bright conservatory. Outside, enjoy a raised balcony ideal for al fresco...
