

St Helier

2 Bed Property For Sale in St. Helier

Description

A charming contemporary town cottage, tucked away in a quiet oasis yet minutes from town, beautifully renovated in 2018, offering stylish accommodation with character features including notably high ceilings and a wonderful balance of indoor and outdoor living. The current vendor has further enhanced the property since their ownership, with full details of the improvements available within the agent’s notes. The property comprises two double bedrooms and a house bathroom, along with a bright and generous living room providing access to a welcoming porch and a front enclosed paved garden. To the rear, a quality fully integrated kitchen with gas cooker and a spacious dining area comfortably seating six flows directly out to a private enclosed...
