

St Helier

2 Bed Property For Sale in St. Helier

Description

A popular mixed-use property offering an excellent investment opportunity, combining a well-established commercial retail unit with a two-bedroom apartment above. Both of the properties have been completely renovated recently. The ground floor comprises a busy retail shop, well regarded within the area, and benefits from its own storeroom, staff cloakroom, and rear access for convenient deliveries.Above, the first floor features a well-presented two-bedroom apartment with a house bathroom and a bright open-plan living space, including a fully integrated kitchen and dining area. The apartment enjoys direct access to a spacious sun terrace laid with artificial lawn, providing ample room for outdoor dining and relaxation.This versatile property...
