

St Helier

4 Bed Property For Sale in St. Helier

IMAGE COMING SOON

Description

A characterful family home full of potential offering an abundance of space, charm and flexibility, this substantial four-bedroom home presents a rare opportunity to create a truly special family residence in a convenient town location. Rich in period character, the property boasts a wealth of beautiful original features, perfectly complemented by generous proportions throughout. All four bedrooms are comfortable doubles, providing ample space for growing families, guests or home-working requirements. At the heart of the home, the large lounge with its elegant bay window is flooded with natural light, creating a warm and inviting space for both everyday living and entertaining. The fully fitted kitchen provides excellent functionality, while...
