4 Bed Property For Sale in St. Peter

Description

A four bedroom granite property with a tasteful mixture of traditional home touches and modern finishes. This wonderful family home offers a quiet rural location that provides convenience to local amenities. This spacious and well maintained home is arranged across three floors, and briefly comprises; the ground floor presents the primary bedroom with en-suite, and a further double bedroom. The first floor presents a large living room with a beautiful granite fireplace surround and wood burner, a double bedroom, a house bathroom and an attractive kitchen with dining area. The second floor brings you to a large landing area that is currently used as a spacious office area, and provides access to a large double bedroom. Externally there are front...
