

Hampton Villa

10 Bed Property For Sale in St. Lawrence

Description

Detached Three-Generation Country Home on a Quiet Green Lane Set in a peaceful and serene countryside setting, this bespoke detached country home is full of character and offers exceptional potential to modernise while preserving its charming farmhouse-style feel. With the main house and two separate units, this is an ideal opportunity for three-generation living, guest accommodation, or rental income. Planning proposals are also in place for redevelopment potential. The main house is generous and versatile, featuring five reception rooms including a welcoming living room with a functional fireplace, a separate family room, an additional space currently used as a home office, and a dining room that flows beautifully into a light-filled conservatory...
