4 Bed Property For Sale in St. Helier

Description

This four-bedroom Victorian family home, arranged over three floors, offers generous living space, period character and a highly convenient location close to St Aubin’s Bay. The ground floor features a bright living room with a functional fireplace and large bay window, allowing plenty of natural light to flood the space. There is a separate dining room, a house bathroom, a dedicated laundry room, and a fully equipped kitchen fitted with a fridge/freezer, dishwasher, washing machine and oven. On the first floor are two double bedrooms, one of which benefits from an en suite, along with a well-appointed house bathroom. The top floor provides two further double bedrooms and an additional bathroom, making this an ideal layout for families or...
