4 Bed Property For Sale in St. Helier

Description

This three storey home on St John's Road is available exclusively to first-time buyers, offering practical accommodation with the benefit of a loft conversion and a west facing garden. Believed to have been built around 2004, the property provides a modern layout arranged over multiple levels, with carpeted flooring throughout creating a comfortable feel. The heart of the home is the kitchen, which was upgraded in 2018 and includes a cooker and American fridge, together with a hot water cylinder and electric heating serving the property. The loft has been converted, adding valuable additional space to the existing accommodation. Externally, the west facing garden is laid partly to grass and partly to patio, providing defined areas for different...
