4 Bed Property For Sale in St. Peter

Description

Introducing this modern home on La Rue de la Pointe, forming part of a new build development constructed in 2016. Built with contemporary living in mind, the property benefits from an electric heating system and an electric hot water cylinder, providing a straightforward and low-maintenance setup. The ground floor is laid with ceramic tiles, offering a practical and clean finish throughout the main living areas. Upstairs, the landing and bedrooms are carpeted, adding warmth and comfort underfoot. The property also includes a loft, providing useful additional storage space. The kitchen comes equipped with a fridge/freezer, wine cooler, washing machine and tumble dryer, all included in the sale, making this a convenient move-in ready option....
