

Flat Flat 172, Block 4, Spectrum
2 Bed Property For Sale in St. Helier

Description

Introducing a purpose-built two bedroom apartment within Spectrum, offering practical, low-maintenance living with the benefit of one designated underground parking space and an additional storage unit. Inside, the property offers two double bedrooms and a spacious open plan living room kitchen that offers plenty of natural light. The kitchen includes integrated appliances, with an inbuilt fridge and dishwasher, and any white goods can be included if desired. The bathroom was replaced approximately five years ago, providing a more modern finish to this key space. The property features wood laminate flooring throughout and electric heating. The property offers a convenient and well connected location, and only a short stroll to the town centre...
