Description

Glenavon is a spacious mid-late 19th-century home maintaining historic character and some original external features situated in the highly sought-after location of Gorey Village. A part project/refurbishment - the spacious accommodation is configured over three levels with a 24ft entrance hall, generously proportioned sitting room and dining room with fireplaces, utility room and cloakroom. The first floor provides two double bedrooms both with en-suite bathrooms, the second floor with a large landing area and the third double bedroom provides views of the sea and over the golf course. Externally, there's a large West-facing lawned garden with access to a communal green. It is ideally located within walking distance to the beach, with great...
