2 Bed Property For Sale in St. Helier

Description

This immaculately presented period cottage has been beautifully refurbished by it's owners and ideally situated within walking distance of Howard Davis Park, the local beach and St. Helier. The accommodation is configured over two levels comprising entrance hall, sitting room with a wood burning stove, fitted kitchen with Bosch appliances, separate dining area with atrium style roof light and separate utility walk-in cupboard. The first floor provides two double bedrooms and house bathroom. There is scope to further extend into the loft (subject to planning). Externally, there's a private, secure garden area - an oasis perfect for entertaining. Although no on-site parking, private rented and public parking nearby. Presented in walk-in condition,...
