22 Bed Property For Sale in St. Helier

Description

This exceptional investment opportunity features a collection of 14 brand new apartments, all housed within a well-designed independent block situated in the heart of St. Helier. Each apartment has been crafted with meticulous attention to detail, ensuring high-quality finishes and optimal living spaces. The one and two-bedroom configurations are particularly sought after in the buy-to-let market, making them a strategic choice for savvy investors looking to enhance their portfolio. With an attractive projected yield of 5%, excluding service charges, these apartments represent a promising revenue-generating asset. Investors will benefit from the central location, which offers easy access to local amenities and the vibrant community atmosphere...
