

Flat 4

1 Bed Property For Sale in St. Helier

Description

Conveniently located in a quiet area of St. Helier, this apartment has a host of amenities on it’s doorstep. Situated on the ground floor with its own private patio, this apartment is bright, spacious and could suit someone looking for their first property, for investment or even make the perfect downsize. The accommodation offers an open plan living/dining/kitchen, a large primary bedroom with extra height on the ceilings and a modern house bathroom. Externally, the apartment offers a private patio, perfect for entertaining guests. Although there is no parking, the vendor currently rents a space which could be transferable, alternatively you can apply for the residential parking scheme in St. Helier.
