

The Basement, 1 Duoro Terrace
2 Bed Property For Sale in St. Helier

Description

This expansive and enchanting period basement apartment is truly a gem, seamlessly blending historic charm with modern convenience. Nestled in an iconic 1839 Neo-classical terrace, this residence offers abundant space and distinctive character, making it a delightful haven for contemporary living. This impressive two-bedroom apartment covers 1,133 sq ft, boasting a generous layout that includes a cozy sitting room with an open fireplace (currently blocked off), perfect for unwinding in style. The large kitchen/dining room is a standout feature, complete with an original stove that adds a touch of historical elegance. Enjoy a private rear courtyard for intimate gatherings, and a large communal garden at the front, ideal for leisurely strolls...
