

Apartment B409, Soave
2 Bed Property For Sale in St. Helier

Description

This contemporary 2025-built apartment features two bedrooms and two bathrooms, including an en-suite in the primary bedroom. It offers a generous open-plan kitchen, dining, and living area, all finished to a high specification for exceptional comfort and style. Situated within the Soave development in the heart of the town centre, it is just moments from shops, restaurants, bars, Millennium Park, and nearby car parks. The property also benefits from a large dual-aspect balcony ideal for relaxing or entertaining, as well as convenient lift access within the building. Although on-site parking is not included in the price, a space can be purchased separately, and Minden Place and Charles Street car parks are located close by.
