3 Bed Property For Sale in St. Helier

Description

A charming and characterful two-bedroom town house with the added benefit of a separate one-bedroom garden unit, ideal for multi-generational living or as a home-with-income opportunity. Situated on a quiet residential street, this Grade 3 listed property (built in 1844) features a welcoming sitting room with a working open fireplace and a spacious kitchen/diner. There is a newly installed ground floor spacious bathroom with a walk-in shower and a stand alone bath. The property further benefits from a good sized loft space with pull down ladder in the main house and a second loft in the unit. Outside there is a delightful south-facing courtyard garden, with a modern decked area, somewhere to enjoy alfresco dining and sunny days. Although there...
