Perle Des Ondes
2 Bed Property For Sale in St. Clement

Description

A truly rare opportunity to acquire one of the few remaining coastal development sites on Jersey’s sought-after South coast. This exceptional property enjoys all-day sun and occupies a prime frontline position at Pontac, with direct access straight onto the beach.Currently a modest two-bedroom house in need of renovation, the true value lies in its extraordinary potential. With imagination and architectural vision, this could be transformed into an outstanding contemporary coastal home of significant scale and presence, designed to fully embrace its dramatic seafront setting.Uniquely, it is one of only a few detached property along this stretch of coastline, offering outstanding privacy and exclusivity. The site further benefits from extensive…
