

Flat 7, Royde House

2 Bed Property For Sale in St. Helier

Description

A recently renovated and exceptionally spacious two-bedroom apartment occupying the entire second floor of Royde House, a handsome Regency property dating back to 1836 and listed Grade II. The building retains a number of attractive period features, including an original and decorative fireplace, some original internal doors and an impressive central staircase, all sympathetically blended with a high-quality contemporary finish. This small and exclusive development comprises just seven apartments, with the comprehensive renovation completed at the end of 2021. Apartment 7 offers two large double bedrooms, each with en-suite facilities, while the principal bedroom also benefits from a walk-in wardrobe. There is a guest cloakroom and a large walk-in...
