3 Bed Property For Sale in St. Helier

Description

Situated on the outskirts of St. Helier, close to the reservoir, this detached bungalow occupies a generous plot with extensive gardens, offering excellent potential to extend and further enhance the landscaping if so desired. The well-proportioned accommodation comprises a welcoming entrance hall, a spacious sitting room, a kitchen with direct access to the garden, three double bedrooms and a house shower room. The current vendors have undertaken a number of improvements, including some rewiring and insulating the property internally, together with landscaping the garden areas. Planning permission has also been approved to extend the property to the rear, create additional accommodation within the roof space, and reconfigure the vehicular access...
