

La Grande Route de la Cote

Land For Sale in St. Clement

Description

Perfectly positioned on the beach directly in front of your swimming pool. The property is accessed via a private drive and benefits from two exclusive pathways leading straight onto the shoreline, offering seamless indoor-outdoor coastal living. To view a video of the property please click on Virtual tours & walkthroughs. The video is AI enhanced. The houses were built in the 1960’s now ready for demolition and new modern house built in its place. The site presently has two houses on it, each with their own title deeds. You can either rebuild two new houses or one extremely large property . Imagine a dream home in a dream location what more do you want. Planning confirmation in principle received. A rare opportunity to...
