

**17 Glebe Hill**  
**5 Bed House For Sale in Hamilton Parish**

### Description

Located at the crest of Glebe Hill in Tucker's Town, The Glebe House commands stunning views overlooking Bermuda's breathtaking South Shore. The property sits on an acre of some of the most coveted residential land in Bermuda, offering both serenity and privacy. Designed by a protégé of Frank Lloyd Wright and built in 1960, there has been upgrades over the years which continue to enhance the appeal of the estate. The home has the distinction of being the former private retreat of Lord Martonmere, a Governor of Bermuda. Built for entertaining, with multiple outdoor entertaining areas, the outdoor entertaining area features a large pool and pool deck plus supporting pool house overlooking the Mid-Ocean golf course and beyond.
