

**Fixer-Upper Cottage with Income Head Winds
 2 Bed House For Sale in Southampton**

Description

It's very rare to find a fixer-upper at this price point with such stunning unobstructed water views! Head Winds is a three-bedroom one-bathroom traditional cottage perched on the hillside above the Railway Trail in Southampton. Other than the kitchen, there are wooden floors throughout which could possibly be sanded and nicely refinished. The living room has a fireplace with stone surround and walks out onto a covered porch offering the perfect spot to soak in the views or enjoy a relaxing evening sunset. On the lower level there is a one-bedroom apartment which would provide income to assist with mortgage payments if required. A separate outbuilding provides a great spot for a laundry and storage. This property is offered with vacant possession...
