

Development opportunity Spacious lot with derelict house

Land For Sale in Pembroke

Description

Here is an opportunity to acquire an elevated lot measuring 0.23 acre and build a spacious home for your family with expansive water views of the North Shore. A derelict structure currently occupies the northern boundary of the lot and has been deemed unsafe for entry. Subject to the necessary planning approvals, purchasers may explore the potential to incorporate or extend the existing structure, or alternatively demolish it and build a brand-new home tailored to their vision.
