Apollo design apartment available Atlantis #606
1 Bed Condo For Sale in City Of Hamilton

Description

Atlantis #606 is a well appointed apartment on the sixth floor with overland city views. The unit is vacant and is being sold with furniture as the pictures display. This unit has great natural light throughout. Upon entering the apartment the natural light beams through the open plan design. Kitchen area with major appliances and white solid surface countertops and generous cabinets make the most of the space with breakfast counter. The living and dining area is nicely appointed and affords any owner comfortable sitting for casual socializing and dining. The bedroom is off the hallway as is the walk-in closet and updated bath with white fixtures and chrome fittings. All residents have use of a gym, indoor pool, lounge areas and a dedicated…
