

**Frith Davis Northern Valley Lots
 Land For Sale in Warwick**

Description

The Northern Valley Lots total 3.23 acres and comprise two separate lots. At least 1/3 of this area is zoned Res 2 with no woodland zoning giving potential for the erection of several homes. The Residential 2 section of the property is entered from Leith Lane opposite Heron Bay’s Ice Cream store. There is a second deeded access to the lot entering from Camp Hill Road and off the Railway Trail. Closer to Middle Road is the ruin of an older home and around here the land is gently sloping. This would seem ideal for the construction of several dwelling units. The surrounding land has mainly indigenous and endemic trees with some open portions of land. The land has been cleared and is accessible for viewing. These lots may be purchased in conjunction...
