

Jeremy Johnson’s Carpentry Shop

House For Sale in Pembroke

Description

Well-known carpentry shop centrally located on the North Shore with 50 ft of road frontage and easy access to the City of Hamilton and the East End of the island. There is ample pull-in parking for 5 vehicles or a container. The verandah entrance leads into a showroom with an adjoining office which is part of the original cottage, and this comprises 5 rooms in total. The workshop is a large open space with 14 ft of roof height. This dry workshop is attached to the back of the cottage and fronts the ocean-side patio area. The property is currently zoned for dual commercial/residential use. The waterfront location of the property is attractive and offers possibilities for the property to be a residential renovation. The current commercial zoning...
