

**2 Bed Condo For Sale in St. Georges
 Condo For Sale in St. Georges**

Description

Small condo development overlooking the North Shore waters located in St. George. The apartments are townhouses each having two bedrooms upstairs and 2 baths with the master having an en-suite along with a balcony overlooking the water. The ground floor offers an open plan kitchen, dining and living room as well as a powder room, french doors facing the water and a back door off of the kitchen leading to a small garden and access to the basement which is quite large. This development is set back from the water having the Railway Trail located between the two - it is ideal for fishing swimming and other water activities.
