Land
Land For Sale in Hamilton Parish

Description

This lot of land, measuring 2.42 acres, presents an exceptional opportunity for developers and investors alike! The property includes approximately 0.22 acres of developable land, zoned residential 1. Ideal for a developer seeking to build multiple units, subject to planning approval, the remaining acreage provides expansive arable land that can be thoughtfully incorporated into the overall design. Whether utilized as paddocks, landscaped common areas, or open green space, this land offers flexibility to enhance both functionality and aesthetic appeal. With its generous size and development potential, this property is perfectly suited for creating a well-planned residential community in a tranquil setting.
