

**Tanglewood Lot 21  
Land For Sale in Paget**

**Description**

One of the last undeveloped lots in the Tanglewood neighbourhood is now on the market. The lot is generally square in shape, just a bit over half an acre, and will allow you to build your family home in this desirable community. The lot is in the process of being cleared of vegetation so that you can appreciate just how large the backyard will be! There is a small easement (1 meter wide) along the northern boundary because of an existing water pipe that runs underground, which is marked on the plot plan. If you are in the market to build your dream home, close to Town, then please contact us to discuss this opportunity.
