

FERRY DRIVE ST. GEORGE'S

Land For Sale in St. Georges

Description

Ferry Drive is tucked away along the Ferry Reach community. The property comprises of 2 lots – 0.37 acres and 0.26 acres totalling 0.64 acres. The land is zoned Residential 1 which offers you a great potential for development. More than half an acre of land that you can put your own design or layout of your dream home. Plenty of space to work with and some distant views from a second storey structure. The land offers you enough yard space for entertainment and a safe environment for your little ones. And to make life a little easier, for the investor or the developer, you can review our approved expired plans in principle for 9 - 2 bed units! If you can dream it, you can build it!! Make this land yours today and give me a call to set up a...
