

**Belair**  
**Commercial To Let in City Of Hamilton**

**Description**

This ground floor space is very conveniently located for everything this light and well-lit period building which is currently occupied by a physiotherapy practice would in turn work well for a medical type use such as a Dr's office or a medical consultancy as the offices are private, of a good size, all enjoy natural light and spaced well apart or it could serve equally as well as office space. It is entered through a door from a parking area into an open space that would be good possibly for a waiting room or open office space then there are 3 further good sized offices, a full kitchen, a washroom, a staff room and 3 separate smaller office spaces with storage space under the stairwell. The access to the top floor will be sealed off....
