

Vallis Building - 2nd Floor (South East)

Commercial To Let in City Of Hamilton

Description

Located on the second floor of the modern Vallis Building, this is one of the larger spaces VHL has to offer. With exterior windows facing both the nearby park and Hamilton Harbor, there is plenty of natural light. The expansive open floor plan allows the tenant to easily customize for their desired layout. For those who desire more private meetings or presentations, the space is equipped with two separate offices, both of which possess glass walls allowing you to look out over the room. Finally, there is space to create a semi-enclosed break area or copy room, for whatever your business needs.
