

Telecom Building

Commercial For Sale in Hamilton Parish

Description

Spectacular opportunity for an investor or business owner who is looking for a visible storefront or business space in a high traffic area that markets itself every day! The property sits on 0.249 acres and has a vast amount of space for parking on two different levels. The building spans 2,850 square feet over three floors and showcases an abundance of storage as well as private offices, boardroom, warehouse, and storefront options, suitable for mixed business use. There are also two loading bays and plenty of room for expansion, if desired. Available vacant or with the possibility of retaining current occupants if purchased as an investment.
