The Locusts
3 Bed House For Sale in Hamilton Parish

Description

Welcome home to ‘The Locusts’, deriving its name from the biblical 'Locusts and Wild Honey' (Monstera Deliciosa). These fantastically shaped plants appear throughout the extensive gardens of the roughly 2-acre property. The Locusts is a 3-bedroom main house with two other cottages on site, and sits on the upper end of the equally whimsically named Fractious Street, apparently named after a particularly temperamental horse whose owner regularly used this shortcut to the North Shore. The Locusts is a 19th-century house on land with a long history of occupation. This fertile valley has long been cultivated for the abundant flowers and fruit - avocados, loquats, bananas, citrus - which the sheltered location protects and provides. There is…
