

Windcrest

5 Bed House For Sale in Paget

Description

Windcrest is a distinguished hillside residence commanding breathtaking views over Hamilton Harbour, nestled within the highly sought-after Trimingham Hill neighborhood. Designed for both relaxed family life and sophisticated entertaining, the upper level is centered around a generous family kitchen which flows seamlessly onto an expansive terrace, perfect for outdoor dining with a harbour backdrop. A formal living room features a dramatic picture window framing the panoramic views and a gas fireplace for added warmth and ambiance. The dining room is complemented by an additional sitting area, with doors opening directly to the patio for seamless indoor-outdoor living. The home also features a two-car garage and convenient access to a laundry/mud...
