

**Happy Valley
2 Bed House For Sale in Pembroke**

Description

Zoned residential and commercial, with three separate units. The upper level west apartment has two bedrooms, living room, dining room, kitchen and bath. The upper level east unit is a commercial area perfect for someone requiring office or retail space close to Hamilton without being in the heart of town. The lower level has been professionally and purposely built for a recording studio. There are two recording studios, loading bay, kitchen, bathroom and waiting room. There is plenty of parking and both the upper and lower level units are fitted for handicap access.
