

Arendal

5 Bed House For Sale in Southampton

Description

Welcome to Arendal. This sprawling 7,645 square foot house is available to both Bermudian and non-Bermudian purchasers alike. It comprises of the main house with 5 generously sized bedrooms and the spacious 1-bedroom apartment with a separate assessment number. In the main house, the second floor holds 3 of the bedrooms and the bedroom on the ground floor can double as a pool house. The bedroom on the lower level is great to have as guest quarters or even a den or movie theater. The pool is set behind the house for maximum privacy. The interior of the house needs cosmetic finishing, which presents the opportunity to create your dream house. Set on 0.42 acres of the back-nine of Turtle Hill Golf Course, Arendal is perfect for the avid golfer....
